Earth's Creation, USA establishing operations in Greenville County *Vitamin manufacturer investing \$2.8 million to establish Upstate manufacturing facility*

GREENVILLE, SC – December 3, 2015 – The Greenville Area Development Corporation (GADC), the County-chartered organization tasked with advancing the area's economic growth, announced today that [Earth's Creation, USA](#), a family-owned company that develops and manufactures premium-quality nutritional supplements in capsules, powders, tablets and liquids is establishing operations in Greenville County. The \$2.8-million investment will relocate the company's existing Miami-Dade County, Fla. operations to the South Carolina Upstate, creating an expected 44 new jobs in Travelers Rest, S.C.

"Travelers Rest is a vibrant community where our quality of life and availability of skilled workers makes us an attractive city for investment," said City of Travelers Rest Administrator Dianna Turner. "We are thrilled that Earth's Creation, USA is contributing to our well-planned growth."

Situated on approximately six acres off of U.S. Route 25 at 18 Page Court in Travelers Rest, S.C., the company's new 99,000-square-foot Greenville County facility is significantly larger than its existing 15,000-square-foot facility in Opa-Locka, Fla. As a manufacturer and wholesaler that ships products to a variety of distribution centers, the new Greenville County operations will also provide Earth's Creation with easy access to South Carolina's Inland Port in Greer, S.C.

"The Page Court site in Travelers Rest provided the ideal landing place for the Earth's Creation team to call their new home," said GADC President and CEO Mark Farris. "GADC's ability to coordinate available properties and to address local needs for companies like Earth's Creation is one of our many strengths. By bringing this valuable service to the table, we are able to encourage more growing businesses to make their mark on Greenville County."

Earth's Creation not only produces their own brand of products, the company also offers private labeling services to customers who want to build their own brand. Among the products developed under the Earth's Creation brand are vitamins and minerals, skin creams and lotions, sports supplements and more.

"With a world-class business environment, tremendous workforce and many other great assets in Greenville County," said Greenville County Council Chairman Dr. Bob Taylor, "we are very enthusiastic that Earth's Creation is going to be a part of the community's future."

"Earth's Creation is a leader in research, development, and manufacturing for the nutritional supplement industry, and we believe they will be an excellent addition to Greenville's diverse community of innovative companies," said GADC Chairman Dick Wilkerson. "We're glad to offer them the opportunity to expand their footprint and grow their team here in Travelers Rest."
