### **Meyer Tool, Inc. expanding its Upstate operations Expansion in Greenville County projected to bring \$6 million investment and 57 new jobs**

**GREENVILLE, SC – September 6, 2016** – The Greenville Area Development Corporation (GADC), the County-chartered organization tasked with advancing the area's economic growth, announced today that [Meyer Tool, Inc.](#), an innovative high-tech supplier to the gas turbine engine industry, is expanding its Greenville County operations. The expansion project is expected to bring \$6 million investment and 57 new jobs to the Upstate.

Founded in 1951, Meyer Tool, Inc. (MTI) is a recognized industry leader in turbine technologies, supplying a range of precision components to the aerospace and gas turbine engine industries. The company specializes in electrical discharge machining (EDM), laser machining and welding, water jet machining, abrasive grinding, coating and other processes required to provide a single-source solution for airfoils and other hot section turbine components. The company holds AS9100 and NADCAP certifications for all special processes.

"This expansion is necessary to continue growing our existing business, as well as adding new opportunities. The growth reflects our continuing commitment to provide superior service to our customers. Without our strong team and partners none of this would be possible." -Meyer Tool, Inc. General Manager Greenville, S.C. Chris Urban

"It's always exciting to see a company like Meyer Tool succeed in our state and make the decision to expand here. This \$6 million investment, and the 57 new jobs it means for Greenville County, shows that Team South Carolina's approach to creating a competitive business environment and building a world-class workforce is paying off for both South Carolinians and our companies." -Gov. Nikki Haley

"It's no secret that South Carolina's manufacturing industry continues to experience great success. The latest expansion of Meyer Tool's manufacturing operations in Greenville County is yet another example of that success." -Secretary of Commerce Bobby Hitt

"Meyer Tool is a leader within the aerospace and power generation industry and a true ally of Greenville, S.C. We are excited to have them as part of our industrial community and applaud their continued growth." -Greenville County Council Chairman Dr. Bob Taylor

Located at 7640 Pelham Road in Greenville, S.C., MTI is expanding its existing facility by 44,000 square-feet to accommodate the company's continued growth. Hiring for the new positions is expected to begin in the first quarter of 2017, and those interested in joining the Meyer Tool team should visit the company's [career page online](#).
