Pierburg US, LLC adding jobs, investment in Greenville County

\$27 million investment will create 95 new jobs for automotive supplier

Greenville, SC – December 19, 2019 – [Pierburg US, LLC](#), a manufacturer of components for air supply and emission control, today announced plans to expand its existing operations in Greenville County. The \$27 million investment will create 95 new jobs.

Founded in 1996, Pierburg US, LLC's 100,000-square-foot facility produces exhaust gas recirculation modules, bypass valves and components for electric throttle controls.

“We are very excited to add several new lines to our facility, some of them for parts to be produced in the USA for the first time. That means creating more local jobs and investing in people by training them and creating technologically advanced workforce,”

said [Pierburg North America](#) President Stevan Zivanovic. “We are thrilled with the relationship we have with Greenville County and the South Carolina Department of Commerce, and only with their help and unceasing partnership, we can continue to grow and create more jobs for the community.”

Located at 5 Southchase Court in Fountain Inn, S.C., Pierburg US, LLC's investment will allow the company to install four new production lines within the existing facility over the next five years.

“Today, we celebrate the growth of another one of our existing industry partners,” stated [South Carolina](#) Gov. Henry McMaster. “I congratulate Pierburg US, LLC on this latest investment and look forward to watching their operations continue to grow here in South Carolina.”

The expansion is expected to be complete in 2024. Individuals interested in joining the Pierburg US, LLC team should visit <https://us.rheinmetall-automotive.com/career/>.

“We greatly appreciate Pierburg US, LLC's decision to expand their production capacity in Greenville County,” added Greenville County Council Chairman and [Greenville Area Development Corporation](#) Board Member H.G. “Butch” Kirven. “As a highly successful
